

New Schools Opening 2005

Maintenance & Operations Coordination Guide

Please Note

The enclosed “**New School Opening – Operations Coordination Guide**” was distributed to all of the new school Principals and their respective AOS’s and CPM’s at a coordination meeting sponsored by School Management Services on January 28th, 2005. All of the custodial budgets and supporting documents mentioned (but not included in this binder) for each specific school the AOS/CPM is accountable for were included with their **Guide**. Please refer to the respective AOS/CPM to review this information as needed.
